A CUP OF COFFEE FOR A LIFE

Roseberry school is a powerful force for the good in the community it serves and is changing the lives of its pupils and their families. It was established to give some underprivileged children an education, thus ensuring the start in life that is the right of every child.

The average income of the families we serve is around £1.50 a day with little to spare for education. So Roseberry School could not do this work without the subsidy it receives from School Aid India.

The school is so successful that our major concern is to keep it going without charging fees that would exclude the very children we wish to help which is why we started the 140 club to educate around 140 pupils at any one time.

We calculated that we only need £2.50 to educate a child at Roseberry for a week. The club is short of members, so perhaps next time you sit in the warmth of a cafe with friends, enjoying a coffee and even a piece of cake, we ask that you pause for a moment to remember that the £2.50 your coffee cost could completely change a child's life.

If you wish to join the 140 club and make a small regular donation, please complete the form attached and return it to School Aid India at above address

AFTER FOOD AND SHELTER EDUCATION IS THE GREATEST GIFT TO ANY CHILD
